Welcome to D-Town Dustoff!

Welcome to the 2019 D-Town Dustoff! We would like to thank everyone involved with this event, from the FLL teams that will be participating to the coaches, mentors and parents who make this opportunity available to the students and all the volunteers that take the time to ensure the event runs smoothly.
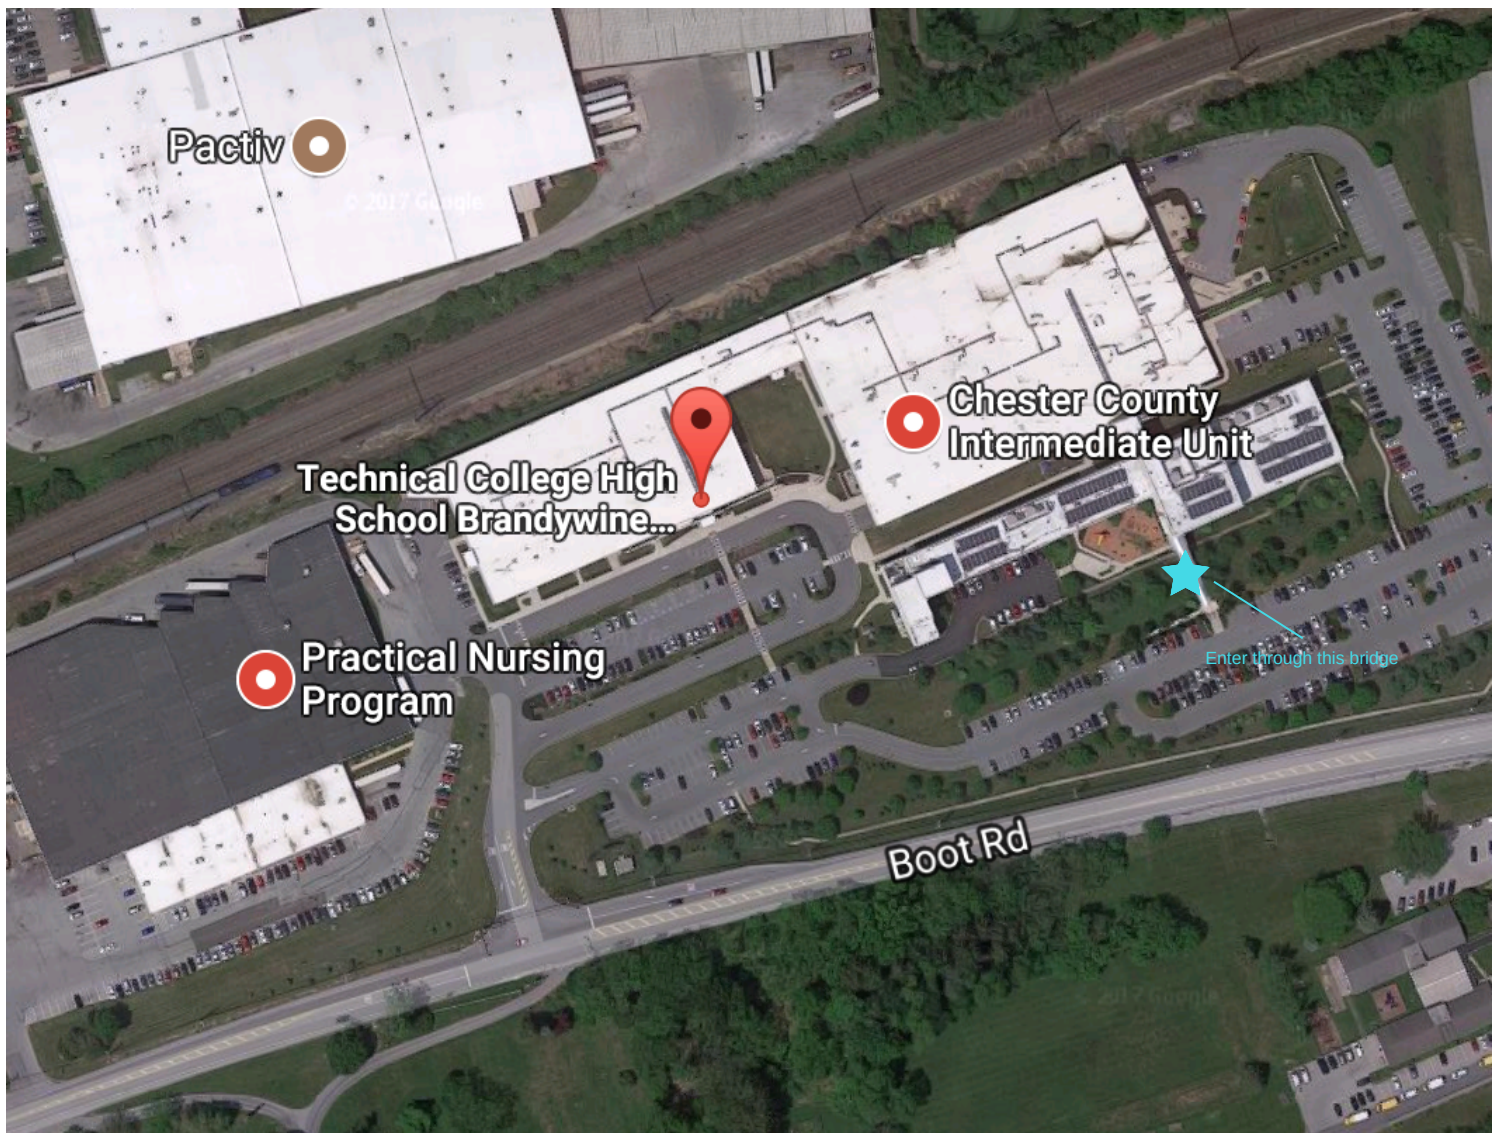

FIRST LEGO League is an integral part of FIRST, teaching a wide variety of skills such as programming, robot design and build, and FIRST's keynote Core Values. We commend you, as FLL teams, on your commitment, interest and passion to be involved with this wonderful program and hope you enjoy this event.

In this packet, you will find a map and directions to the CCIU, the schedule for the day, match timings, and other essential information. Thank you again for competing and good luck to all.

You must read our FMA 2019-20 City Shaper Guiudelines Document that describes a few things that our PA-Southeast region will be doing that may be different than other regions. FIRST allows each region to make some of these changes as the local planning committee sees fit. It is important that you are aware of and understand these guidelines.

Event Satellite Google Map

Event Information

Questions and Help

If you have questions about anything or need help, please see anyone wearing a team t-shirt. They will direct you to someone who can assist you. If you urgently need to contact someone in charge of the event, please approach the registration desk.

Arrival

It is critical that all teams try to arrive on time at 8:00 am and immediately come to the registration desk as this will help us prepare the match schedule quickly and accurately.

Gracious Professionalism

Fun is the rule for the day. Please act in accordance with the Core Values of *FIRST*® Lego League. Respect your referees, coaches and mentors. Don't forget to always be kind to your fellow teams and team members, and help out as needed.

Inspections

Robot Inspections will be performed at the competition table. Be sure your robot is made of only LEGO pieces.

Practice Table

There will be a practice table present for teams to use. It will be available at any point throughout the competition. Please limit your team's time at the practice table to 5 minutes to let other teams have a turn at the table.
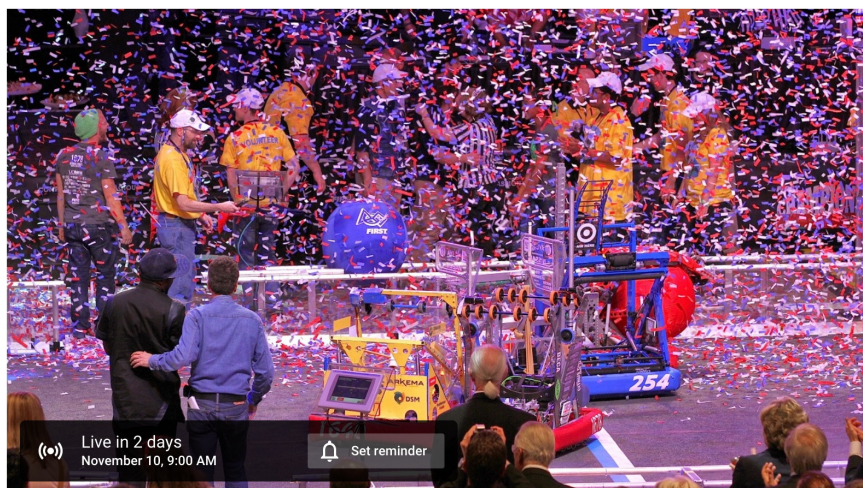

Event Information

Food

The concession stand will be available all day in the cafeteria, and we encourage teams to take advantage of this. For breakfast, we will be offering bagels, donuts, baked goods, coffee, tea, and juice. Our lunch offerings include pizza, samosas, hot dogs, meatball sandwiches, spring rolls, and drinks. Pre-order forms have been emailed to teams and will facilitate your order. They can be handed in at the registration desk with payment.

NEW Live Stream

This year, DAR will be hosting a live stream of D-Town Dustoff! Access it at:
https://www.youtube.com/watch?v=WpF3elhQJbY

FLL Scrimmage D-Town Dustoff (Sat. Nov. 10, 2018)

Chester Co. SPCA

This year, D-Town Dustoff is proud to be working with the ASPCA in an effort to provide caring environments to animals in Chester County. The ASPCA strives to provide effective means for the prevention of cruelty to animals throughout the United States, by focusing on health services, anti-cruelty operations, and community outreach. To assist Chester County ASPCA in its efforts, we are asking each team that participates in D-Town Dustoff to donate an item from its wish list. Items will be collected and dropped off at the ASCPA after the Dustoff. Your generosity is greatly appreciated.

- Kuranda dog beds
- Cat scratchers from StretchandScratch.com (coupon code SHELTER)
- Soft dog treats
- Peanut Butter
- Dry and wet food for both dogs & cats
